

1 inch "BAT" Lanterns have these important exclusive features:—

1. Heavy terne plate bottom used for basin.
 2. Self-trimming, non-smoking burner (Pat. 370113/32).
 3. Glass with polished edge.
 4. Popular "Bat" trade mark on basin.
 5. A rubber ring is sealed into the seam of the basin, making it absolutely air-tight and rendering leakage impossible.
- Every lantern carries the "BAT" seal of guarantee.

EXTRA GLASSES FOR HURRICANE LANTERNS

BRITISH MADE,

These British made Hurricane Lantern Glasses are of the finest quality. They are full weight glasses with a thickness well above the average, thus reducing breakage to a minimum. "Bat" Glasses have the beaded and polished edge, which prevents the wrist from being cut whilst the glass is being cleaned.

They all bear the popular "Bat" trademark.
